For over three decades Williamson has been a leader in spiritual and progressive circles. She is the author of fifteen books, four of which have been number one on the New York Times bestsellers list. She believes: “Our deepest fear is not that we are inadequate but that we are powerful beyond measure.” (From the book, *A Return to Love* by Marianne Williamson)

Williamson founded Project Angel Food, a nonprofit organization that has delivered more than sixteen million meals to ill and dying homebound patients suffering from the ravages of HIV/AIDS since 1989. She has also worked throughout her career on poverty, anti-hunger, and racial reconciliation issues. In 2004, she co-founded the Department of Peace. Williamson ran for the Democratic nomination for president in 2020 and 2024, and supports the creation of a U.S. Department of Peace.

## About NOW

As the grassroots arm of the women's movement, the National Organization for Women is dedicated to its multi-issue and multi-strategy approach to women's rights, and is the largest organization of feminist grassroots activists in the United States. NOW has hundreds of chapters and hundreds of thousands of members and activists in all 50 states and the District of Columbia. Since our founding in 1966, NOW's purpose is to take action through intersectional grassroots activism to promote feminist ideals, lead societal change, eliminate discrimination, and achieve and protect the equal rights of all women and girls in all aspects of social, political, and economic life.

### **Core Issues**

NOW is a multi-issue, multi-strategy organization that takes a holistic approach to women's rights. Our priorities are winning economic equality and securing it with an amendment to the U.S. Constitution that will guarantee equal rights for women; championing abortion rights, reproductive freedom and other women's health issues; opposing racism; fighting bigotry against the LGBTQIA community; and ending violence against women.

### **Reproductive Rights and Justice**

NOW fully supports safe and legal abortion, affordable and effective birth control and other contraception, and reproductive health education for all.

### **Economic Justice**

NOW advocates for a wide range of economic justice issues, women's freedom and success and intertwined with racial justice, reproductive freedom, and other systems of oppression.

### **Ending Violence Against Women**

NOW recognizes violence against women as the broad and interconnected issue that it is, addressing oppressive structures and attitudes in our nation.

### **Racial Justice**

A leader in civil rights since 1966, NOW continues to fight for equal opportunities for women of color in all areas including employment, education, and health care.

### **LGBTQIA+ Rights**
