Hello, NOW Friends,

Elections are around the corner and we hope you exercise your right to vote! Pay attention to candidates and issues that will directly or indirectly affect critical issues in this country, such as voting, reproductive rights, equality, our democracy, etc. Be on the side that is informed!

If you liked our Centennial calendar that was published in 2019, you'll love our brand new one! We still have some left and they make great gifts, especially now. For a donation of \$15 or more, we'll give you our 2025 calendar (Women Making History) on the spot. We're featuring national and local women, on whose shoulders we stand, including Kamala Harris! These will mostly be available at events like the conference, but if you write to info@nowsonoma.org, or call Elaine at 707-527-5987, we can arrange to provide you with a calendar.

In the new calendar, we highlight the struggle to finalize the ERA. Send one to your friend(s) and help with awareness of the Equal Rights Amendment, and inspiration from many local heroes such as Alicia Sanchez, Alice Waco, Dolores Huerta, and lots more. It would be great to send this out to teachers!

Many thanks go to the Santa Rosa Democratic Club for allowing us to offer the calendars to their members at their monthly meetings the last few months, and at future ones until we run out.

We are in need of a treasurer! Elaine B. Holtz is stepping down from this role and we are looking for someone with this skill. Our finances are simple at this time and training will be provided as needed. Criteria to be met are that you be a member and attend at least three meetings; all of ours are on Zoom. Please consider whether you are able to

fill this vital role in our chapter and let us know at **info@nowsonoma.org** as soon as possible. All viable candidates for this role will be elected by the members in January. Further details to come.

Calling all members! We'd love to get to know you better. We are looking for submissions to appear in the newsletter, such as a short bio, an event you wish NOW members to attend, an article you find important and think our readers would appreciate, a poem you've created, even a photo of you. Up to two submissions per member allowed at a time and these will be published at the discretion of the editor. Please send submissions to **info@nowsonoma.org**. Our newsletter deadline is the 25th of each month. We hope to hear from you!

All are welcome to our next board meeting:

We'd love to be able to do more in the county and need your skills for many different types of special projects, including planning upcoming events, particularly as we consider how we might grow our chapter to be more present in the community.

Verity's Golden Jubilee: Celebrating 50 Years of Service

On November 2, 2024, Verity will be celebrating fifty years of service to Sonoma County at The Backdrop in Santa Rosa. The significance and celebration is to mark the milestone of commemorating fifty years of unwavering dedication to our community. This momentous occasion will not only honor Verity's legacy of service but also stand as a testament to the resilience and strength of survivors of sexual assault.

Their mission is to lead Sonoma County in the elimination of sexual assault and human trafficking through prevention, and the support of survivors through intervention and healing. Verity envisions Sonoma County without sexual violence.

They serve all Sonoma County residents, and anyone assaulted in the county, regardless of their residence. If you need help outside Sonoma County, we'll refer you to the appropriate resources. Therapy services and their crisis line at (707) 545-7273, any time, day or night. All calls are anonymous.

Be informed before you vote! NOW says NO on Prop 34!

"The National Organization for Women is opposed to the 'Restricts Spending by Health Care Providers' proposition, which is a dangerous initiative that has long-term repercussions for women's reproductive health advocacy."

About NOW

As the grassroots arm of the women's movement, the National Organization for Women is dedicated to its multi-issue and multi-strategy approach to women's rights, and is the largest organization of feminist grassroots activists in the United States. NOW has hundreds of chapters and hundreds of thousands of members and activists in all 50 states and the District of Columbia. Since our founding in 1966, NOW's purpose is to take action through intersectional grassroots activism to promote feminist ideals, lead societal change, eliminate discrimination, and achieve and protect the equal rights of all women and girls in all aspects of social, political, and economic life.

Core Issues

NOW is a multi-issue, multi-strategy organization that takes a holistic approach to women's rights. Our priorities are winning economic equality and securing it with an amendment to the U.S. Constitution that will guarantee equal rights for women; championing abortion rights, reproductive freedom and other women's health issues; opposing racism; fighting bigotry against the LGBTQIA community; and ending violence against women.

Reproductive Rights and Justice

NOW fully supports safe and legal abortion, affordable and effective birth control and other contraception, and reproductive health education for all.

Economic Justice

NOW advocates for a wide range of economic justice issues, women's freedom and success and intertwined with racial justice, reproductive freedom, and other systems of oppression.

Ending Violence Against Women

NOW recognizes violence against women as the broad and

interconnected issue that it is, addressing oppressive structures and attitudes in our nation.

[Racial Justice](#)

A leader in civil rights since 1966, NOW continues to fight for equal opportunities for women of color in all areas including employment, education, and health care.

[LGBTQIA+ Rights](#)

NOW is committed to fighting discrimination based on sexual orientation or gender identity in all areas.

[Constitutional Equality](#)

NOW is a proud supporter of the Equal Rights Amendment and prioritizes giving women explicit protections in the United States Constitution.
